G.R.O.W.

God continues to bless and grow the efforts of those who actively go about this work of outreach. We're constantly encouraged as teams come and work each week to position the church to be blessed by God.

Last week the GROW Team "O" made up of Captains **Eric Otte and Jim Holt** and the other GROW Team members of **Nancy Otte, Karen Holt, Pastor Michael** and **John Walsh** were able to do some uncommon work in the areas of visits, phone calls and letters.

Plan now to come this afternoon at 5:30 to make visits, write letters or make phone calls with GROW Team "W" led by captains, **Pastor Jason Ramsey and Stan Clemence**. As we the church do the work God has called us to He will reward us in that work. People need the Lord & GROW teams are helping people find the Lord.

We're continuing our request for names and addresses of people whom you would like for us to invite to the celebration events being planned. Please call the church office with your information.

Our 50th Anniversary Church Directory is also an important part of this celebration and the final photos for this directory will be taken on July 30th .

We're also gathering photos related to church life spanning these last 50 years. We'll have a page in the church directory dedicated to each of

the last five decades. Each page will have pictures with captions identifying a few of the events which occurred during these respective decades. These pictures need to be available by the end of July. Look through your photos and help us! We will also be scanning these pictures to make a DVD and have these available for showing and for purchasing at the 50th anniversary celebration!

Do you have an interesting story of a Calvary experience? Then please write it out and give it to a committee member or the office. We will compile a section of memories as seen by Calvary family. This will be great!

Also! We are compiling an anniversary cook book! Please give your favorite recipes to the committee members or the office. Please share several so we will have a nice variety. Thanks!

This celebration is going to require some funding and we do not have anything in our current budget to cover this. So, our Anniversary Steering Committee is calling for a special one time sacrificial offering to be given on Sunday August 23. This money will be used to make and produce materials like invitations, cookbooks, and going towards the meals we will be having catered during this weekend of October 31st and November 1st.
