Hello September! Our gods at War study is going great, we pray the kids are taking it all in and using what they are learning as they embrace this school year! Continue praying for each student as they face different battles every day. Be on the look out for our updated Adopt-a-Youth poster, it will be posted by the youth bulletin board. Pick a student and commit to praying for that student, send them encouraging cards/notes to remember they are loved not only by us but most importantly by the God of the universe! Thank you again for sharing your student with us, we love each one!
